

The Honorable Michael K. Powell
Chairman
Federal Communications Commission
445 12th Street, S.W.
Washington, D.C. 20554

Dear Chairman Powell:

Please stop and think of what you are about to do to the small and medium ISP servicing the rural market place.

If you deregulate the telcom industry any further you are going to do great harm to these businesses and the customers they serve.

The telcom industry is already rife with corruption, greed and anti-competitive behaviour that any further moves by the FCC to deregulate the industry will be in effect an endorsement by the government to permit these actions by the bells.

STOP AND CONSIDER THE END USER, AND THE COMPANIES THEY GET THEIR SERVICE FROM!

Sincerely,

Mike Greene
